

## Attendee Frequently Asked Questions

- **I can't attend the entire day some days that I signed up for. Will I be able to leave and come back?**
  - Yes, as long as the session is still running, you can leave and return using the same link. Note that some sessions will require separate Zoom links; these will be sent out the day of the session. People who registered for that session will receive a link via e-mail, so make sure you are using the correct link.
- **My plans changed after I registered, and now I will not be able to attend one or more of the days for which I registered. Do I need to change my registration?**
  - No. You only need to change your registration if you need to add sessions. If that is the case, e-mail Allison Crowther at [acrowthe@ksu.edu](mailto:acrowthe@ksu.edu) to add sessions to your registration. Additions after the registration deadline are not guaranteed.
- **Will I need to have a working mic or camera?**
  - For most sessions, participants will be muted and will not be able to turn on their video. You will communicate primarily through the Q&A function. The Pre-Training Networking, Networking Social, and NSC Meeting/Year in Review/Strategy Session will require a working mic for full participation, and participants may be asked to turn their cameras on, though this will not be required.
- **I haven't received any links yet. What should I do?**
  - If you have registered and have not received links by 10:00 AM CDT on Friday, Sept. 4, and you have not been contacted about your registration, e-mail Allison Crowther at [acrowthe@ksu.edu](mailto:acrowthe@ksu.edu) as soon as possible.
- **I missed the registration deadline. Can I still attend?**
  - If you missed the deadline and would still like to register, contact Allison Crowther at [acrowthe@ksu.edu](mailto:acrowthe@ksu.edu). We may be able to accommodate you, but late registrations are not guaranteed.
- **Who should I contact if I have technical difficulties?**
  - If you are in the session and need assistance, you are encouraged to use the Q&A function to ask. Your message will be answered privately. If you cannot get in the session or are unable to communicate in session, e-mail John Murray at [jsmurray@ksu.edu](mailto:jsmurray@ksu.edu). If you have an issue with the links, i.e. if you are missing a link, contact Allison Crowther at [acrowthe@ksu.edu](mailto:acrowthe@ksu.edu).

**Please note that the agenda is in Eastern Daylight Time.**
