

Georgia

Small Business Environmental Assistance Program; Contact: Sherry Waldron

JENNIFER COLLINS MAY 28, 2021 05:00PM

Big Wins

JENNIFER COLLINS JUN 03, 2021 02:06PM

1. Despite the abrupt conversion to 100% telework, systems were already in place to make sure that contact was maintained for those that needed assistance.

Challenges

JENNIFER COLLINS JUN 03, 2021 02:06PM

1. Requests for assistance is low - Is this the lack of outreach or small businesses being busy with other things? Outreach is hard to manage with the resources available.

2021 / 2022 Excitement & Priorities

JENNIFER COLLINS JUN 03, 2021 02:06PM

1. Enhancements to the Georgia Small Business webpage will be looked at.

Help Wanted

JENNIFER COLLINS JUN 03, 2021 02:06PM

1. I will be evaluating other states webpages to see what ours is missing.

Structure and Stats (Where are you housed? and How many Full Time Equivalents (FTEs)?)

JENNIFER COLLINS JUN 03, 2021 02:07PM

1. Housed in Compliance Program, but much work is conducted through the Permitting Program. 0.25 full time equivalents on a permanent basis, but work is filtered through that person (the SBO) to other programs/branches for any detailed technical assistance.

Glad to hear you have more than one person to help out. – ANONYMOUS
