- Calls for NSBEAP Annual Training topics – **there will only be one more meeting before Annual Training** after this one (March 26, 2019)
  - Lisa will look at what has come up in planning committee that may be educational related.
    - Lisa will share with Subcommittee, get feedback, narrow it down, provide to planning committee and then perhaps the planning committee will narrow/chose preferred topics.
  - Talk with Tech Subcommittee about some of their topics and cross-over
  - Grants to do P2 technical assistance and assessments/incorporating P2 into SBEAP work
  - History of SBEAP:
    - (Tony has some of the basics put together.)
    - Loss of website = loss of knowledge and information
    - Lynelle reach out
- Annual Training: traditionally
  - New SBEAP/SBO mentor activity for NSBEAP training? Do we want to head this? Any volunteers?
    - Pairing off with mentor
    - Introductory meeting: Ice breaker activity
  - Education topic we should discuss at NSBEAP training.
    - Vote on possible topics
  - Annual data –we have been the committee to present this part/status – Nancy Larson, Jennifer Collins, Dan Sowry and Belinda Breidenbach are handling this, and Nancy just sent out the email today on SBEAP\_Main. Please check it out.
  - Anything new anyone would like to see us do that has not been done before or not done in a while?

  - **Results ARE IN from Survey Monkey Questionnaire:**
    - **Tie for TOP TOPIC**
      - How to provide a P2 and/or compliance assessment – There are a few states currently doing these that may be able to send someone to discuss.
      - How do you evaluate compliance assistance? – IA and KS were mentioned as possible presenters Iowa (Christine and Jennifer), Tennessee, any other states? Nancy will tickler to see if any other states can participate.
    - **And a TIE for Second Topic**
      - How different programs operate.
      - Annual Report recap of this year's data. – **Scheduled at 11:00-11:45 AM on May 14.**

#### **OPEN FORUM:**

Let us talk about the future of the Education Subcommittee:

- Meeting Schedule: Do we need to go quarterly or stay every other month? Number of webinars annually: plan meetings around those.
- Purpose of this committee? Tech Sub does a lot of educational/technical presentations. Our focus?
  - Topics to be discussed in the future?  
Topics outside of rules/regulations, connecting with clients, non-regulatory, tracking assistance and impact (economic and social), keep ears open for topics at annual training.
