

# Nebraska

Small Business Environmental Assistance Program

**JENNIFER COLLINS** MAY 28, 2021 04:55PM

## Big Wins

---

**JENNIFER COLLINS** JUN 08, 2021 02:22AM

Virtual meetings (SBCAP), Webinars/Online Training/Online Permits (75% + retention), Training resources, Multiprogram CAV picking up. (CAV = Compliance Assistance Visits).

Nice! – ANONYMOUS

## Challenges

---

**JENNIFER COLLINS** JUN 08, 2021 02:22AM

How to calculate PTE-nuts and bolts, program permitting flowcharts, timelines, costs. Working with Planning/Zoning, more requests for compliance assistance.

Regulation changes (incorporating CFR by reference in Titles).

Adopting more programs from Energy (2018) and now adding DHHS programs (2021)

Definitely share your PTE information! – ANONYMOUS

## 2021 / 2022 Excitement & Priorities

---

**JENNIFER COLLINS** JUN 08, 2021 02:23AM

Continued outreach material development, sector specific targets, encouraging community-industrial working groups to support each other.

## Help Wanted

---

**JENNIFER COLLINS** JUN 08, 2021 02:23AM

Automating Compliance Assistance reports- (i.e. check box, fills in report to text), Basic NESHAPS/NSPS Training, Any certification offered for businesses?

KS offer a certification for HW handling – ANONYMOUS

Iowa has certification for breweries – ANONYMOUS
