Big Wins

JENNIFER COLLINS JUN 09, 2021 05:16PM

Oregon just hired another teammate to help with small business technical assistance specific to CAO – Cleaner Air Oregon. That's our health-risk based air toxics regulatory program.

2021 / 2022 Excitement & Priorities

JENNIFER COLLINS JUN 09, 2021 05:16PM

We are putting together a proposal that will go to Oregon DEQ leadership concerning how we would like the SB program to look in the short-term and over the next 5 years, including EJ outreach & collaboration with communities and the OR SOS, better

tracking mechanisms for SB requests, and specific areas of focus based on the agency's needs.
