

Day 2

Small business assistance in the COVID-19 and virtual age

- Tony, who is your contact at EPA? We have an Auto Repair Compliance Assistance Center where this can be linked.
 - I am working with Melissa Payne and Brad Johns on the Reg Nav tool. National SBEAP is developing the online 6H training.
- Great tool. To not reinvent the wheel is there any way that this can be used and revised for other states and territories to use.
 - All of the tools I am working on will be available through www.nationalsbeap.org and will be universally applicable so anyone can link to it.
- For Lloyd, how did you make your video? It is great!
 - Answered live in recording.
